If you have any other account numbers at the Credit Union to which you may want to transfer funds (from this account) using "ROSIE," list below:

Account Number

Account Owner

_____	_____
_____	_____
_____	_____
_____	_____

In order to use our telephone transaction service, you need a four digit Personal Identification Number (PIN). Please fill in the Personal Identification Number (PIN) you desire here:

<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------	----------------------

I read the Telephone Transaction Service Agreement found in the "Disclosure of Account Terms" booklet and agree to the terms and conditions therein. I understand that all previous terms and conditions currently existing with my accounts are incorporated into this Application and Agreement.

I understand that if I disclose my Personal Identification Number (PIN) to someone, he/she will have access to all accounts identified with my account number and that I am responsible for any such transactions which result.
